

5th Bingo Schedule for 2016-2017 Attached

Bingo Worker Information Sheet-Please Read

You will receive 5 Schedules for 2016-2017 School Year

The year begins August 6th, 2016 and ends July 29th, 2017.

- All workers should arrive PROMPTLY at 4:30PM.
- Parents may not bring their children with them to work Bingo unless your child is over 8 and going to play Bingo.
- All workers are to stay until clean up is completed and leave together.
- All kitchen workers are asked to bring one case of water or a 12-pack of soda (Pepsi or Coke Products).
- All floor workers and pull tab workers are asked to bring a cake or pie. Cupcakes and cookies don't seem to sell with the adult crowd.
- Even though you are assigned to a certain area, it is possible you will work in a different area where the help is needed.
- When you arrive at bingo it is your responsibility to sign the schedule. A binder with the sign-in sheets will be located in the kitchen.
- **Please do not bring electronics or use your cell phone when you are working. If you are not selling items on the floor, you should be watching to call back bingos.**
- We need to try and make sure no one misses their Bingo!
- We will use the School Reach Text and Voicemail System to contact everyone if bingo is cancelled for any reason such as inclement weather.
- If for any reason you cannot work bingo for an assigned date it is your responsibility to find coverage for that evening. You do not have to call school. Make the arrangements and please make sure that someone is at bingo or you will be billed \$200.00. Phone numbers are provided on the schedule as well as in the family directory.
- If a parent misses working two bingos during the year they will be removed from the bingo list and will have to pay the remaining buy-out fee.
- This is a very important fundraiser for our school. We truly appreciate your help to make it a success.
