UNIFORM VIOLATIONS

While the stated intention of the uniform is to draw less attention to individualized dress, it should be noted that the expectation is that each student take personal responsibility for staying in uniform every day. When a student is not in compliance with a uniform dress code, students in grades 4-8 will receive a demerit. Students in grades Pre-K through 3 will receive a uniform violation form that must be brought home and signed by a parent and then returned to the student's teacher the following school day. One or two of these write-ups serve as a reminder that the student is not in uniform. Upon receiving a third written violation, consequences for the student could be non-participation in the next tag day, a missed recess, a detention, or suspension.

TAG DAY DRESS CODE

On specified days, students will be allowed to come to school out of uniform. On these days, clothing must be modest and appropriate. Shirts with inappropriate words or pictures on them are not allowed. Pants must be clean and free of cuts, holes or fringe. Tank tops, tops with spaghetti straps or crop tops that could show the midriff are not allowed. Tight-fitting pants or jeans are not allowed. Girls who wear leggings or yoga style pants must have a long blouse/shirt that extends to mid-thigh. Low cut tops are not allowed – shirts should touch the collarbone. Shorts or skirts should not be more than two inches above the knee. No undergarments may be worn as outerwear as part of tag day, this may include undershirts, boxers as the outer wear. No hair coloring or facial paint is permitted on the face at any time (Pep Rally will be at the discretion of the principal or vice-principal at the time of the event). If items of clothing are deemed inappropriate for school, the parents will be called to bring proper clothing to school or the student will be asked to put on a school uniform. A second violation will exclude the student from participating in the following tag day event. A third violation will result in the student having their tag day privileges revoked for the remainder of the school year.

Note: If you think it might not be appropriate, then it probably is inappropriate.

ACCESSORIES

Jewelry

A religious medal or cross may be worn on a silver or gold tone chain.

One pair of stud earrings may be worn by girls in the earlobe; hoop earrings are not allowed; no earrings for the boys.

Wrist watch is the only bracelet-type of jewelry allowed.

No other type of jewelry is to be worn with the exception of a medical alert ID necklace or bracelet.

Make-Up

Make-up is **not** to be worn at school.

Clear nail polish is allowed. Nails are not to be colored or decorated. Artificial nails are not permitted.

Visible body markings such as temporary tattoos must be covered with a bandage until they have worn off or been removed.

Students may not draw markings on any visible parts of their body with pens or markers.

Hair Styles

- Hair must be clean and in a neat fashion at all times. Radical haircuts or hairstyles are not allowed. Bangs must fall above the eyebrows. Hair must be the natural color.
- Boys' hair length: the hair should not touch the collar of the shirt, and hair may not hang in the child's eyes. Mohawk styles or pony tails are not allowed. Students who are issued a demerit for inappropriate hair style, color or length will be given three (3) days to correct the problem. Parents are encouraged to make this change a priority once notice has been given in order to avoid further punitive measures such as loss of recess, written assignments, etc.
- Hair accessories for girls are for managing hair and should not appear to stand out in color, size or style. Wide, brightly colored hair bands or scarves are not permitted.
